Hi Peter,

My apologies. I sent this to Diana yesterday, forgetting to copy you and David. Carey called me last week and I had to tell her I am waiting for our TPs also. However, I did relay to her **Deliberative Process / Ex. 5** I believe

Deliberative Process / Ex. 5

Re the future, I told her to wait for our TPs.

Thanks,

Chris

Hi Diana,

Last week when I got this request I began checking on the status of our glyphosate assignment. **Deliberative Process / Ex. 5** it is still under review. So, the statement is technically inaccurate. My modifications make the statement correct.

Deliberative Process / Ex. 5

Thanks,

Chris

Hi Diana,
Can you reach out to EPA/FDA and see if they have comments. Carey is asking for a response and says she is going to post a story soon.
Thanks – Peter
